**Title Registration/Supervisor Appointment Form**

JANUARY 2023			
Student Name:	Wan Yong Qian	Year/Trimester:	3
Student ID:	0125810		
Course:	Bachelor of Software Engineering		
Contact No.:	0139836977		
Email Address:	0125810@student.uow.edu.my		
Proposed Project Title:	EventHub		
Project Description	EventHub is an event management system combining powerful AI technology with seamless planning. It is designed to simplify the management of campus events which provides an intuitive platform for students, faculty, and staff to discover, register for, and engage with various events happening. The AI chatbot makes communication, provides instant event information, and delivers event announcement and updates, making event management a breeze. With its intelligent AI chatbot, event management becomes effortless and efficient.
